## Thank You

*Dear Church Family,*

*You have been such a wonderful and inspiring influence on the McConnell family for many years. The church has supported this family from the time Mom and Dad came to Chickasaw in 1947, watching each one grow in the Lord, celebrating the good times and offering comfort during times of loss.*

*Again, you have supported us with cards, flowers, prayers, visits, food, and memorial donations, as we have experienced the home going of our beloved Mother.*

*Your thoughts and actions exemplify the virtues of the New Testament church and provide an example for all of us.*

*Thanks for all you do. May our Lord continue to bless each one of you.*

*Love in Christ,*

*The Children, Grandchildren, and Great Grandchildren of  
Louise Mason McConnell*
